EVENTS OF DAY IN WEST SCRANTON

HARVEST HOME FESTIVAL AT JACKSON STREET CHURCH.

Appropriate Exercises Held by the Pupils of the Sunday School Last Evening—Owen Moran Arrested After a Desperate Struggle—Events of the Day in Different Churches—Funeral of Ardee Morgan—Other News Notes and Personals.

The annual harvest home festival at the Jackson street Baptist church was held last evening and was attended by an audience that filled the church to overflowing. The main Sunday school room space had to be utilized to accommodate the crowd that gathered to listen to the exceptionally interesting programme. The exercises were under the personal supervision of the pastor, Rev. Thomas de Gruchy, D. D., and the participants were the children of the Sunday school, the church choir, organist, William Stanton, cornetist, and William Allen, violinist.

The singers were seated on an extended platform, which completely covered the pulpit space, and overtopping the choir loft was an abundance of the fruits and vegetables of the season, arranged in a very attractive manner. Directly above the organ was a large inscription, "Welcome" in huge letters. In the choir enclosure were sheaves of grain and on either side two large pumpkins were displayed. The effect was very pretty, and together with the electrical illumination, made an inviting study.

The exercises opened with an organ voluntary, followed by a chorus, "Harvest Tide Has Come Again." Rev. de Gruchy read the scripture lesson and offered prayer. Another chorus, "Harvests Shall Come Again" was sung by the children and choir and Miss Bertha Watkins recited a selection called "Gratitude." In a pleasing manner. After the responsive reading of scripture selections, the full chorus sang "Thanksgiving." Miss Hattie Ellis recited, and a male quartette sang "Thanks to Thee, Our Father." Recitations were also given by Misses Marjann Thomas and Elizabeth Thomas, and the choir sang an anthem. The programme was concluded with another selection, a chorus, "Praise His Holy Name," and the parting hymn, "Farewell."

OWEN MORAN CAUGHT.

About a month ago, Owen Moran, of Hampton street, paroled two coats, a pair of trousers and \$3 in money belonging to Joseph Mienskyk, who was boarding in the same house. A warrant was issued by Judge Ward for Moran's arrest on the charge of robbery, and the document was placed in the hands of Constable John Lance for serving. When Moran discovered that the constable was after him he jumped through a second story window, taking such glass and all, and made good his escape.

He continued to evade the constable until Saturday night, when he was trapped in a saloon in the Sixth ward. Moran resolved not to be taken without a struggle, and grappled with the constable, who had a \$7.50 revolver and incidentally wrenching Lance's hand. Another warrant was issued on the charge of resisting arrest, and with the assistance of Constable Timothy Jones, the wily Owen was finally landed in the station house. At the hearing yesterday, Judge Ward committed Moran to the county jail to await the disposition of the court.

after you have concluded that you ought not to drink coffee. It is not a medicine but doctors order it, because it is healthful, invigorating and appetizing. It is made from pure grains and has that rich brown color and tastes like the finest grades of coffee and costs about 1/2 as much. Children love it because it is because it is a genuine food drink containing nothing but nourishment. Ask your grocer for Grain-O, the new food drink. 15 and 25c.
